

# *the copper pot*

*Stylish upscale enjoyment*

*Simple pleasures – in a unique  
deluxe package*

*The copper-wrapped mulled wine pot*

*Do you love the challenge of creating that special atmosphere for your guests?*

*Do you relish the unique?*

*The Christmas season – crisp air, a fire-place, the aroma of pine trees and the signature beverage: mulled wine served from a traditional old-fashioned crock...  
aaahhh Christmas.*

*Our wine pot is high-grade steel, wrapped in copper – the perfect combination for the updated old-time experience.*

*Even the handles of our wine pot display its quality: warm mahogany wood in harmony with the warmth of copper.*

*The Thermometer is pre-set to the desired temperature of 70 degrees celsius.*

*...christmas atmosphere with the copper pot*
